 Raise \$2,500

## DID YOU KNOW?

AAWL is the oldest and largest no kill shelter in Arizona! Beyond rescuing more than 4,000 cats and dogs every year from over 32 partners across the state, AAWL has a low cost public clinic, foster programs for vulnerable puppies and kittens, youth programs, and community resources to ensure the best life for you and your pet. AAWL operates almost entirely on donations and community support, like our Walk!
