WALK SAVE ANIMALS

Get Started with Fundraising

We're so thrilled to have you and your team on board for this year's Walk to Save Animals. We can't wait to see what your team accomplishes before November 2.

Your efforts have a direct impact on the lives of vulnerable animals in our community. Here's a few things to help set you and your team up for success:

Start With Your Circle

Think about all your closest friends, family, co-workers and neighbors that you can invite to join your Walk team!

Make Your Team Special

Bring your team together by updating your personal walk pages and team page with pictures, stories, and team goals!

Set Your Goal

Don't forget to set a fundraising goal for your whole team, and then create your own individual goals to help get there.

Share Your Story

Tell your story and how you are connected to AAWL. This will help connect your supporters to AAWL and hopefully get them to support your team through a donation or by joining your team!

Make a Plan To Reach Your Goal

Making a plan will help you reach your fundraising goal! Here are a few suggestions on how to make it happen:

Raise \$250

- Ask 4 relatives for \$25 each ➡ **\$100**
- Ask 5 friends for \$10 each ➡ **\$50**
- Ask 4 neighbors for \$10 each ➡ **\$40**
- Ask 4 co-workers for \$10 each ➡ **\$40**
- Sponsor Yourself! \$20 Each ➡ **\$20**

Raise \$500

Recruit 5 team members along with yourself to post about the fundraiser on their social media pages! Even just asking for \$5 donations to your page can add up quickly!

Social media is one of the most powerful tools when it comes to fundraising!
Here are some sample messages you can post on your social media!

Share That You Registered for the Walk to Save Animals:

I've registered for AAWL's Walk to Save Animals on November 2! I'm walking because **(REASON FOR WALKING)** and I'm asking for your support! Here is a link to my personal fundraising page, if you would like to make a donation or join my team: **(LINK)**

Throughout Your Fundraising Campaign:

Every year, the Arizona Animal Welfare League saves the lives of 4,000 cats and dogs from across the state. I'm raising funds for AAWL that will directly support their life-saving programs. Visit my fundraising page for the Walk to Save Animals to learn more about my efforts and how you can help SAVE LIVES: **(LINK)**

I'm halfway to my fundraising goal for AAWL's Walk to Save Animals! I'm **\$XX** and there are **xx** weeks before the event. Will you help me reach my goal? Your donation will directly support AAWL's life-saving programs which allows them to save the lives of 4,000 cats and dogs every year.

It's only **(amount of time)** before AAWL's Walk to Save Animals! I'm so proud that my participation will make a difference in the lives of vulnerable animals across our state, especially during a time when shelters across the country are struggling with capacity issues. Please support my efforts and visit my personal fundraising page here -> **(LINK)**
